A Special Holiday Email December 7, 2020 Dr. Arlene Costello, President

Happy Holidays! An opportunity to be merry: Share your tradition/s with SITESOL Members!

Do you decorate a live tree or a pre-lit Christmas tree? What do you do as a family to celebrate the holiday season? Are there new traditions you are starting as a result of the limitations due to COVID 19? How are distance learning and remote work environment affecting your classroom holiday traditions?

Share your traditions with the SSTESOL membership! If you wish, you may submit a photo or a two-minute video narrating why it is special for you. We will compile all the submissions for the final issue of the 2020 Perspectives.

Please follow these submission guidelines:

1. Videos, photos (jpg), and articles must be in their final form and in high resolution because no edits will be made.
2. A brief description of your tradition must be limited to 100 words or less.
3. If the guidelines are not followed, your submission may not be included in the newsletter.
4. Please submit your tradition to sstesol@gmail.com on or before December 16, 2020. Please write "Tradition" on the subject line.

For questions, please write to sstesol@gmail.com.
